

# MAINTENANCE SCHEDULE

## Maintenance Schedule Model: D1-13, D1-20, D1-30, D2-40

Check List	Daily	Every 14 Days	Every 200 Hrs	Every 500 Hrs/Once a year	Once a year	Every 500 Hrs/Once every 2 years	Every 500 Hrs/Once every 5 years	Every 7 years
Check Engine and Engine Compartment	•							
Check Engine Oil	•							
Check Engine Coolant	•							
Check Drive Belt Tension		•						
Clean Sea Water Filter		•						
Clean Fuel Pre-Filter		•						
Check Battery Fluid		•						
Check Reverse Gear Oil		•						
Check S-Drive Gear Oil		•						
Change Engine Oil (D1-13, D1-20, D1-30)			•					
Replace Oil Filter (D1-13, D1-20, D1-30)			•					
Change Reverse Gear Oil			•					
Lubricate Rev. Gear Propeller Shaft Sealing			•					
Change S-Drive Gear Oil			•					
Check S-Drive/Rev. Gear Anode			•					
Change Engine Oil (D2-40)				•				
Replace Oil Filter (D2-40)				•				
Replace Fuel Filter				•				
Replace Fuel Pre-Filter				•				
Check Idling rpm.				•				
Check Sea Water Pump (Impeller)				•				
Clean Vacuum Valve				•				
Clean Folding Propeller					•			
Check S-Drive(Rubber Seal Hull/Drive)					•			
Replace Air Cleaner (Filter)						•		
Change Coolant						•		
Clean Heat Exchanger						•		
Check Injectors						□		
Adjust Valve Clearance						□		
Replace Reverse Gear Propeller Shaft Seal							□	
Replace S-Drive(Rubber Seal Hull/Drive)								□

**IMPORTANT!** Maintenance points marked with □ must be carried out at an authorised Volvo Penta workshop.
